[8/14/2012 4:20:47 PM] [REDACTED]: We believe, that on a day should you ever require a lot of trades and volume, it makes sense to do the majority of trading in NITE.

[8/14/2012 4:21:04 PM] [REDACTED]: We haven't traded with SUNR yet--so we don't know the settlement process--but they should be second

[8/14/2012 4:21:16 PM | Removed by [REDACTED], 4:22:28 PM] [REDACTED]: This message has been removed.

[8/14/2012 4:21:20 PM] [REDACTED]: From there--we can discuss and pick/choose

[8/14/2012 4:22:08 PM] [REDACTED]: On the buy side--we can pick and choose--but if names haven't traded a lot--settlement may come into play---so we can discuss.
